

Upgrade Your Future
with **DDSCComputers**

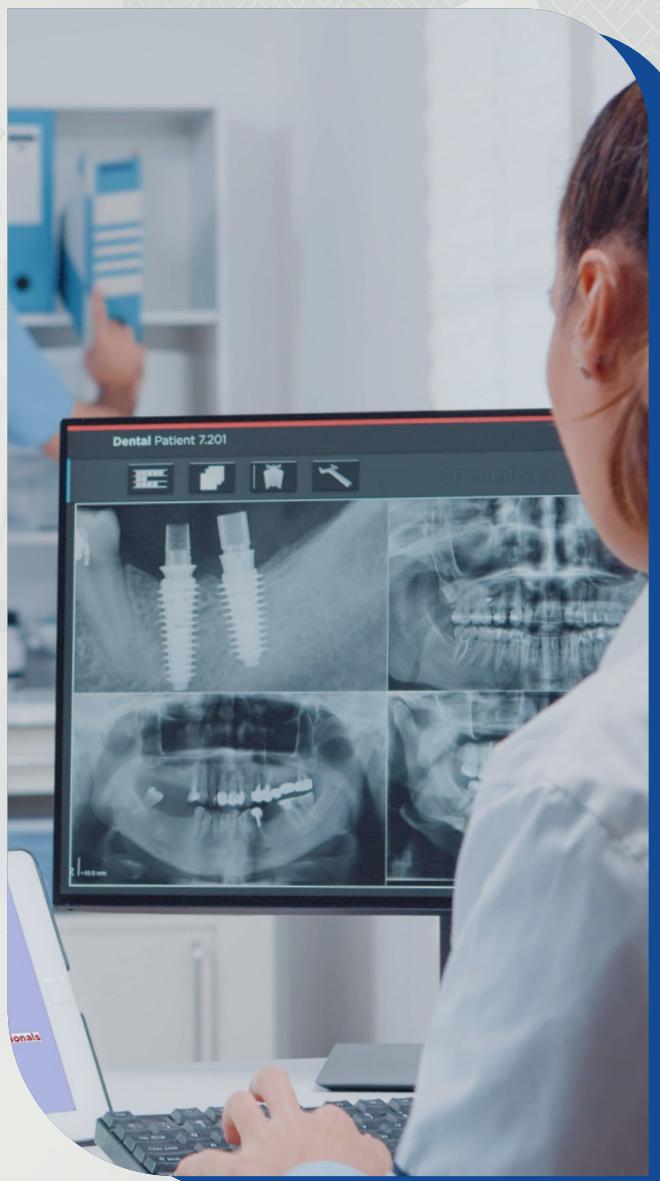

A photograph of a modern dental office. In the foreground, a blue dental treatment chair is positioned. Behind it, a dental unit with a light fixture is mounted on a ceiling track. To the right, a dental workstation features a computer monitor displaying a dental X-ray of teeth. The overall lighting is bright and clinical.

The Dental Professional Industry Is Prime For Profitability

DDSComputers is dedicated to providing top technology to the dental professional! We have over 20 years of industry experience and are now prime for profitable expansion.

Today our mission is to provide the best dental IT computer solutions to as many communities as possible while offering the highest level of customer service to clients.

In the existing market we offer a powerful combination of business leadership skills and complete credibility. Our proven business model is rewarding, efficient, and easy to operate.

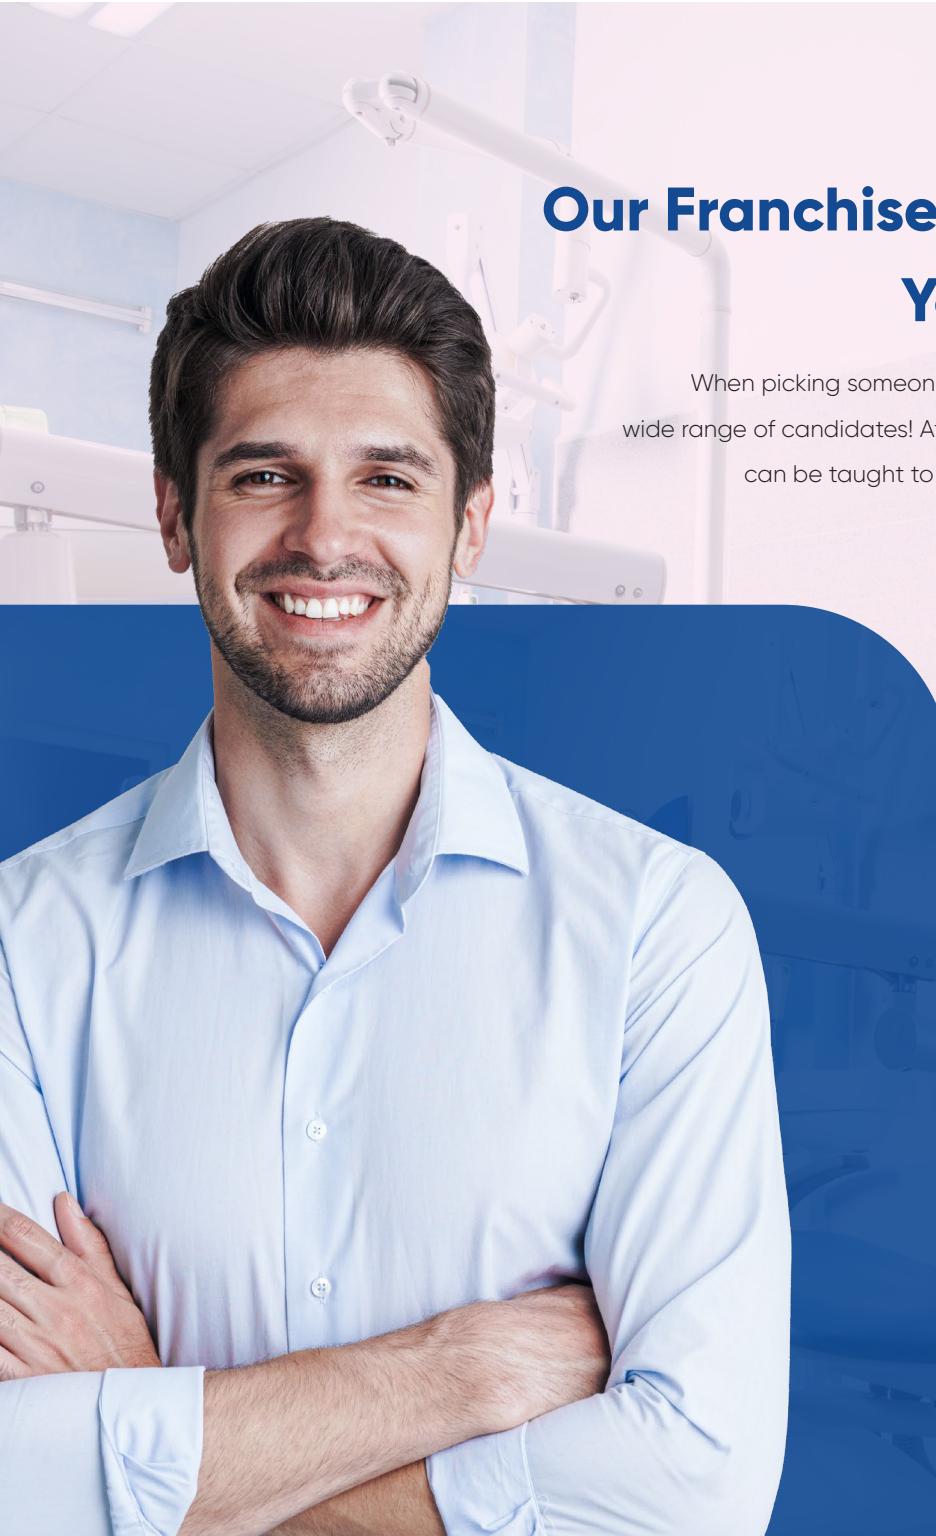

Great Support For a Fair Price

DDSCComputers offers our franchise partners step-by-step training, strong ROI, low start up costs, ongoing support, a proven business model, easy to operate systems, and more! Why franchise with DDSCComputers?

- ✓ We understand the dental industry over other local IT companies.
- ✓ It's a market with few competitors.
- ✓ Our customers are medical professionals.
- ✓ It's a recession-proof industry.
- ✓ There's plenty of room for growth and profitability.
- ✓ We have over 20 Years of dental technology experience.
- ✓ With a low investment, the potential ROI is substantial in a short time period.
- ✓ The Dental IT Service industry is fast-moving and always coming out with new technologies, such as 3D Panoramic units and Mobile Impression Scanners
